

**From the Biblical Literacy Team...**

Each year, the season of Lent offers a time of awareness and reflection on the beauty of God's life-giving, redemptive work in Jesus' death and resurrection.

This year, we are offering a study that offers a breath of fresh air to anyone who has perhaps dismissed Lent as a seemingly endless time of self-sacrifice and introspection. The study connects prayer and other inner spiritual practices with outward actions of mercy and compassion.

You may study and reflect on your own or you may wish to engage in discussion with others.

Several **small groups** are offered for you to join. A listing of those are on the reverse side. We are excited about studying this resource together and hope you will sign up today and place your registration in the offering plate. You may also call the office to register.

**Here are the details:**

- The groups will meet for 6 weeks finishing up before Easter, April 21. Each group will begin after our Ash Wednesday service which will be March 6th in the Discipleship Center Auditorium at 6:30 pm.
- The groups offer a variety of times and days throughout the week and are listed on the back of this registration form.
- Since everyone reads books using different methods i.e. Kindle, etc., each participant may purchase the book on their own. Amazon offers used books in good condition as well as new books. Other sources include Christian Book Distributors, Cokesbury, Barnes and Noble, etc.

Today's culture offers many of distractions. The season of Lent offers an opportunity to reflect on the state of our souls before God, how our lives relate to others and, above all, the promise of Jesus' resurrection as it breathes new life, new courage, new hope in us and through us . . . for the sake of the world.

**Join your church family on this journey!**  
**Sign up on the back of this flyer TODAY**  
 or call/email the office by Sunday, February 24th  
 so that additional groups may be planned as needed.

**YES!**

**Sign me up**  
 for the group I've checked below:
